

Peer-to-Peer Learning Through Linked Courses

Graduate/Undergraduate

Here is just enough to help you begin. *Even better when supplemented by brief instruction, conversation, Web resources, etc.* See Side B.

Mutually beneficial activities in a graduate course and a closely related undergraduate course. Grad students gain leadership, teaching, planning, and web skills. Undergrads gain writing practice and feedback, intro to grad education.

Using Blackboard Tools

- Create "Organization" and enroll everyone
- Group Management to create student groups
- Group File Exchange for writing and peer review
- Blog Tool for discussions
- Wiki Tool for Website assignment
